With Game of Thrones' Exhibition at Carrousel du Louvre in Paris, you can immerse yourself in the world of Westeros and beyond. So, you can join your favorite House and journey through the Exhibition from September 8 to September 12, 2015.

Since beginning of February, Game of Thrones : The Exhibition did embark on an international tour. The exhibit showcases over 70 original artifacts used on set from Seasons 1 through 4, plus select never-before-seen pieces from Season 5. The Exhibition features costumes, props and other items offering a closer look at the production of the show, in addition to interactive activities for fans to enjoy.

This year's lucky cities are: London (England), Stockholm (Sweden), Tel Aviv (Israel), Madrid (Spain), Berlin (Germany), Amsterdam (Netherlands), and now Paris (France).

Fans can also join a House before entering the Exhibition and pledge allegiance to the Baratheons, Lannisters, Starks or Targaryens. Once registered, attendees will have access to an online companion, which will allow them to collect photo and video opportunities as they move through the Exhibition. Fans can also document their own memorable moments – including a photo opp atop the Iron Throne.

Game of Thrones: The Exhibition remains free, and the Carrousel du Louvre also host the HBO Shop with official Game of Thrones licensed collectible goodies for sale. The organizers of the Exhibition are OCS France and HBO.

About Game of Thrones :

The events of Game of Thrones begin with Season 1, seventeen years after the end of Robert's Rebellion. The Seven Kingdoms become engulfed in the massive civil war known as the War of the Five Kings. Robb Stark is declared King in the North by his bannermen, seeking vengeance for his father's murder. He is joined by the lords of Riverlands, sworn to his mother's family, House Throne.

The timeline of the books is broadly similar to that of the TV series, with several minor differences. Several younger characters (most notably Jon Snow, all of the Stark children and Daenerys Targaryen) are two to three years older than their book equivalents, which has required the date of Robert's Rebellion to be pushed back from fifteen to seventeen years before the events of the series begin...
