Novox is a French band from Lyon, France that since forming in 2003 has managed to create an unique sound by combining the elements of Jazz and Funk. Each musician has a strong personality and music background. The group sound integrates Hip Hop, Funk and Jazz with dance energy and the sounds of computer instruments, horns, the double bass, Fender Rhodes and funky guitars.

"AN AMERICAN HONEYMOON TOUR" will cover in USA, the following cities : Seattle, Portland, Salem, Eugene, Medford, Palo Alto, Boulder Creek, Santa Cruz, Pismo Beach and Los Angeles. It will be from October 1 to October 15, 2015.

For their third album "Over the Honeymoon", Novox pays tribute to the American blaxploitation movies of the 70's and their legendary groovy soundtracks. Many of great artists of the 70's had their talents heard in "B movies", for example, James Brown (Black Caesar), Curtis Mayfield (Superfly, Short Eyes), Isaac Hayes (Shaft, Truck Turner, Three Tough Guys), Johnny Pate (Brothers on the Run, Bucktown), Marvin Gaye (Trouble man), Herbie Hancock (The Spook Who Sat by the Door) and Barry White (Together Brothers).

The result is a collection of superb & funky grooves that are reminiscent of the 70's with a substantial amount of Jazz influence to carry it along the way.
